

CALL DIGGERS HOTLINE (it's the LAW!)

If you are planning to rent equipment to do some digging (ex: post hole digger, trencher, excavator, backhoe etc.), you should contact the Diggers Hotline **before** you start your digging. **It's**

Wisconsin Law.

If you fail to contact Diggers Hotline, and you do hit a utility line, you are financially responsible for the repairs of the utility and subject to a \$2000 fine under Wisconsin law. SO PLEASE.....BEFORE YOU DIG, CONTACT DIGGERS HOTLINE.

We have provided this link to make it easier for you to contact Diggers Hotline, either via telephone or on the web.
